

Setting Up Automatic Pledge Contributions

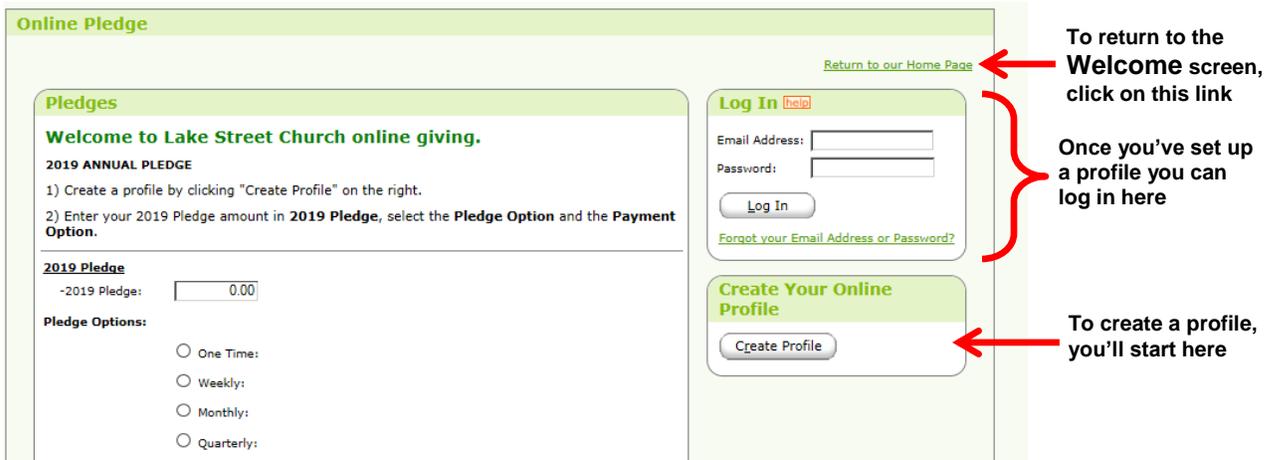

Setting up a schedule of automatic contributions on the Lake Street Church Website will save you time, energy, and hassle over the coming year. And it will help the church, by providing the steady stream of income needed to pay our steady stream of bills.

To automate your pledge contributions – and not have to think about your pledge for the rest of 2019 – follow the instructions below.

1. At your computer, open your Internet browser and visit the church’s Website: www.lakestreet.org.
2. When the LSC **Welcome** screen is displayed, locate the **GIVE** button and click once on it:

3. The **Online Pledge** screen is displayed. To continue setting up automated payments, a donor must have created a “profile” – i. e., provided contact information and a password. If you’ve already created a profile, proceed to Step 3A, below. If you need to create a profile, skip to Step 3B.

Additional Information

1. Moving back and forth between screens can require you to re-enter your e-mail address and password repeatedly. It will be worth taking an extra few seconds on each screen to make sure you've entered correct information the first time.
2. Do not click on your Internet browser's backward/forward arrow buttons – . Doing so is likely to take you out of the **Online Pledge** system, and you'll have to log in again.
3. Stay on task until you're done. The inactivity period allowed before you are “timed out” of the system is fairly brief.
4. The donation-summary information provided at the right of some screens can be helpful.
5. If you forget your e-mail address for this system, contact the office at 847-864-2181 and talk with the Office Administrator.

If you forget your password, you'll have to create a new one. In the **Log In** corner of the **Pledges** screen, click on the [Forgot your Email Address or Password?](#) link. Enter your e-mail address, then click on  button. You'll soon be sent an e-mail with a temporary new password.

To change the temporary password to one of your own choosing –
